

Family Support Work

Due to the coronavirus restrictions, the Robsack Centre is now closed and Jude Harrison is working from home to help families in need. Under current conditions, she advises that the best way to continue to support that work is by sending money donations, to enable the team to buy exactly what is needed by the families they support and deliver it to them.

If you would like to do this, the address for cheques is:

c/o Finance, Garton House, 22 Stanford Avenue, Brighton, BN1 6AA

payable to

"Chichester Diocesan Association for Family Support Work" (or
"CDAFSW").

Alternatively, online payments can be made to sort code 201275, account number 40257133, reference "Emmanuel Hastings".

If you are able to give in this way, please would you let Head Office know that you are a member of Emmanuel Hastings so that the money can be allocated to the Hastings area. This could be done in a cover letter (for cheques) or by email to finance@familysupportwork.org.uk (for online giving).
