Our Mission

Our mission is to help people of our town and local community become fully-committed followers of Jesus.

Our Vision

Imagine a church that's flooding its local community with the light of the gospel and making a visible difference to the lives of all kinds of people: that's what we long to see at Emmanuel Church, on the West Hill of Hastings, to the glory of God.

As we look to the future we envision a growing and dynamic, **gospel-hearted** church, full of men, women, and children who find their identity in Christ and rejoice in living for him. It's a church with multiple, vibrant gospel ministries for all ages with trained and trustworthy leaders; where faithful bible teaching is valued and expected; where the gospel is proclaimed with urgency and purpose. It's a church of disciple-making disciples; where members are experiencing the life-changing power of the gospel and helping others to experience it too.

It's an **others-focused** church where we cherish one another in Christ; a family of believers who think of one another before themselves and gladly accept sacrifice for each other's sake; where we love one another in practical ways and everyone gives and receives. It's a church in which relationships are loyal, supportive and accountable; where names are remembered and absence is noticed; where we join together to laugh and cry, challenge and encourage, pray and praise.

It's an **outward-looking** church that works for the good of our local community and seeks the lost with the gospel of grace in creative and relevant ways; a place where the needy find help, the broken find healing, the lonely find friendship, and all hear the offer of new life in Christ. It's a church that's committed to supporting other gospel ministries, in the UK and overseas, by giving its money and sending its people to serve in various ways.

This is our dream. We believe, under God, it will soon be reality, and we invite you to be part of it.

Dear Friends

Jesus said: **'Whoever wants to be my disciple must deny themselves and take up their cross and follow me.'** (Mark 8:34)

Jesus denied himself when he set aside the glory of heaven to be born as a man. He did that to serve others by suffering for their salvation. Being his disciple means being like him; denying ourselves in order to serve others, especially by sharing with them the gospel of salvation. Being a disciple of Jesus means being willing to make costly sacrifices for the salvation of others.

We're to do that willingly. Taking up our cross means being willing to accept suffering, shame and rejection for the sake of the gospel and the salvation it brings. There are many joys and blessings of being a disciple of Jesus, but there is also a cross to bear - not the everyday trials of life but the particular cost of proclaiming the gospel in a godless society. Jesus won't force us to take up our cross; being his disciple means being willing to take it up voluntarily for the salvation of others.

This is the path that Jesus chose, and he calls us to follow him. As we choose that same path ourselves, he will lead us by his Spirit through his word. As we deny ourselves and bear the cost of proclaiming the gospel, he will strengthen us and train us. And as we walk this path together, he gives us one another, our church family, to encourage and spur one another on.

The cost we bear now, in the present, may seem daunting, but ahead of us is the glory of heaven, where we will be with Jesus forever. When the going is hard, we need to fix our eyes on our glorious destination.

With love,
Martin

Each day of the week has:

- some Emmanuel people and ministries (see inside cover)
- some streets in our parish to pray for our community
