# Our Mission

Our mission is to help people of our town and local community become fully-committed followers of Jesus.

# Our Vision

Imagine a church that's flooding its local community with the light of the gospel and making a visible difference to the lives of all kinds of people: that's what we long to see at Emmanuel Church, on the West Hill of Hastings, to the glory of God.

As we look to the future we envision a growing and dynamic, **gospel-hearted** church, full of men, women, and children who find their identity in Christ and rejoice in living for him. It's a church with multiple, vibrant gospel ministries for all ages with trained and trustworthy leaders; where faithful bible teaching is valued and expected; where the gospel is proclaimed with urgency and purpose. It's a church of disciple-making disciples; where members are experiencing the life-changing power of the gospel and helping others to experience it too.

It's an **others-focused** church where we cherish one another in Christ; a family of believers who think of one another before themselves and gladly accept sacrifice for each other's sake; where we love one another in practical ways and everyone gives and receives. It's a church in which relationships are loyal, supportive and accountable; where names are remembered and absence is noticed; where we join together to laugh and cry, challenge and encourage, pray and praise.

It's an **outward-looking** church that works for the good of our local community and seeks the lost with the gospel of grace in creative and relevant ways; a place where the needy find help, the broken find healing, the lonely find friendship, and all hear the offer of new life in Christ. It's a church that's committed to supporting other gospel ministries, in the UK and overseas, by giving its money and sending its people to serve in various ways.

This is our dream. We believe, under God, it will soon be reality, and we invite you to be part of it.

# *Dear Friends*

In the first verse of Psalm 57, David says this: **Have mercy on me, my God, have mercy on me, for in you I take refuge. I will take refuge in the shadow of your wings until the disaster has passed.**

David is picturing a young chick who senses imminent danger and runs for cover under its mother's wings. Equally, we might think of a young child running for safety behind his or her mother's skirt.

The first thought of a chick or a child is to run to its mother for cover and, in the same way, the first thought of a believer in the face of danger is to trust in God for their safety. God doesn't promise to keep us safe from everything that might harm us in this life. There may be occasions when he does do that: there are many Christians who can testify to God's protection in times of danger. There may well be times when God has kept us safe even in ways of which we are unaware. But at other times life can be painful and scary and there may be things that, in God's strength, we must endure.

But when we trust in the cross, we can be confident that nothing can happen to us in life or in death that can defeat God's good and loving purpose for us; no disaster can befall us that can put God's plan for us in jeopardy. If we are trusting in the cross, we can be confident that Jesus will see us safely to heaven, no matter what we might go through in this life. That's real security. And our response should be praise. That's how David ends his psalm, in verses 9 and 10: **I will praise you, Lord, among the nations; I will sing of you among the peoples. For great is your love, reaching to the heavens; your faithfulness reaches to the skies.**

Let's begin this new year with great confidence in God's care of us, and with a deep determination to declare his praises in the world.

*With love,*  
*Martin*

Each day of the week has:

- some Emmanuel people and ministries (see inside cover)
- some streets in our parish to pray for our community
- an external ministry or organisation we support (see back cover) and/or some countries where Christians are facing persecution
- something to pray for specifically related to the Coronavirus
- a Bible verse to pray for our church family

You could choose to pray through each section every day, or spread them out across the month. We hope this will continue to be a useful aid to prayer.
